

## Older Persons & 2030 Agenda for Sustainable Development

An age-inclusive agenda for sustainable development!

Eradicate extreme poverty for people of all ages, everywhere

1

End all forms of malnutrition and address the nutritional needs of people of all ages, including older persons

2

Ensure healthy lives and promote well-being for all at all ages

3

Ensure inclusive and equitable quality education and lifelong learning opportunities for all, including older persons

4

End all forms of discrimination and violence against older women

5

Achieve access to adequate and equitable sanitation and hygiene for all, including older persons

6

Remove barriers for the full participation of older persons in employment and ensure equitable and inclusive economic growth for all

8

Empower and promote the social, economic and political inclusion of all, irrespective of age

10

Make cities, communities and human settlements age-inclusive, safe, resilient and sustainable

11

Promote effective climate change-related planning and management, recognizing the role and vulnerability of older persons

13

Promote peaceful and age-inclusive societies and provide access to justice for older persons

16

Increase the availability of high-quality, timely and reliable data disaggregated by age and strengthen the participation of older persons in partnerships for sustainable development
